Introducing the Mackenzie Emerging Markets ex-China Equity Fund

On April 25, Mackenzie will launch the Mackenzie Emerging Markets ex-China Equity Fund, which aims to provide long-term capital growth by investing primarily in equity securities of companies in emerging markets, excluding China.

Managed by [Mackenzie's Global Quantitative Equity Team](#), this fund is an attractive solution for advisors who want to diversify their clients' portfolios and choose the level of China exposure they want.

Details to assist in the fund's set-up can be found [here](#).

Additional information can be obtained from the FD file, available through Fundserv with an effective date of April 25.
